Subject: - **INFORMATION REPORT-620**

The undersigned is directed to refer to the subject noted above and to reproduce the extract of secret report that is:

"It has been reliably learnt that DAISH has offered some elements of Lashkar-e-Jhangvi (LeJ) and Ahi-e-Sunnat Wai Jamat (ASWJ) to join hands in Pakistan. DAISH has also formed a ten members "Strategic Planning Wing". They are now planning to inflict casualties to Pakistan Army outfits who are taking part in operation Zarb-e-Azb. Moreover, DAISH claims to have gathered 10-12 thousand followers from Hangu and Kurram Agency. They intend to carry out multifaceted attacks on LEAs and Seizure of Important government installation in Khyber Pakhtunkhwa (KPK). DAISH desires to assign Lashkar-e-Jhangvi (LeJ) for offensives against Ahi-e-Tashl in Pakistan resultantly sectarian outrage will be increased in Pakistan. It is suggested that:-

- i. Concerned LEAs be sensitized on priority basis.
- ii. Strict monitoring of Lashkar-e-Jhangvi (LeJ) elements.
- iii. Heightened vigilance is indicated in KPK and FATA.

Forwarded for extreme vigilance and ensure heightened security measures to breempt such incidents.
